

HOLIDAY HEATING INSTRUCTIONS

Everyone at Kenny & Ziggy's wants to thank you for allowing us to cater your holiday. For your convenience, here are some helpful heating instructions.

*****Remember, everything is already cooked and only needs a quick heating!**

Stuffed Cabbage:

Leave in the tin, replace the lid with foil, or place in a Pyrex dish with foil on top. Heat at 250° for 35-45 minutes.

Sweet & Sour Meatballs:

Leave in the tin, replace the lid with foil, or place in a Pyrex dish with foil on top. Heat at 250° for 20-25 minutes.

Hungarian Goulash:

Empty all of the contents into a Pyrex dish, cover with foil. Heat at 250° 20-25 minutes.

Chicken Soup & Matzoh balls:

Transfer all of the soup into a large saucepan or pot. Place the matzoh balls in the soup and gently bring to a boil. *****Do not boil rapidly as the matzoh balls may break.**

Brisket, Stuffed Veal & Short Ribs:

Preheat the oven to 250 degrees. You can leave it in the pan or transfer the brisket into an oven proof dish. Make sure the meat is covered with gravy. Cover with a lid or aluminum foil and heat brisket for 25 minutes per lb. Heat veal and short ribs for 45 min. Brisket, veal and short ribs are fully cooked do not overheat.

Roasted & Apricot Chickens:

Preheat oven to 250 degrees. Place in a covered oven-proof pan and heat for 16 minutes. Remove cover and heat uncovered for an additional 15-17 minutes.

Whole Roasted Turkey:

Add ½ cup of water, cover with aluminum foil and place in a preheated 250 degree oven. Heat approximately 8 minutes per Lb. Heat gravy and serve. Be assured that the turkey is fully cooked. Do not overheat or it will dry. It is not necessary to serve piping hot.

Kugels & Souffles:

Heat contents in tin for 15 minutes at 250°. Remove top and heat for an additional 10-15 minutes to crisp the top.

Tzimmis, Mashed Potatoes, String Beans, Kasha, Egg Barley:

Place in a Pyrex dish and cover with foil. Heat at 250° for 20-25 minutes. Do not overheat.

Potato Pancakes, Vegetable Pancakes, Roasted Potatoes:

Preheat oven to 350 degrees spread out on a cookie sheet and heat until crispy. Approximate time is 10-25 min. Do not over heat.
